DERMELECT® BEAUTONE™
SKIN RESTORATION FACIAL

brighten, enlighten and reverse a damaged past

DERMELECT® BEAUTONE™ SKIN RESTORATION FACIAL

Age spots, skin discoloration, uneven tone and sun damage are all addressed with this quick and simple regimen. With your very first application, your skin will reveal more radiance and clarity delivering a brighter more luminous complexion. Great for perking up a complexion that's dull or basically looking exhausted. By utilizing the newest technologies and ingredients, this multi-peptide rich group of formulas will provide you with an overall even skin tone and a beautiful, radiant skin that you want to achieve. Makeup will wear better as the balancing and camouflaging will eventually dissipate. Safe for all skin types. *Hydroquinone Free.*

PREPARATIONS: Begin your day with this five minute regimen that will deep clean, exfoliate and restore your skin to a youthful glow. Exude confidence as you reveal a new skin by addressing past damage and uneven skin tone. For accelerated results repeat in the evening. This leave on treatment will especially work wonders while your skin is at rest.

WHAT TO USE:
**DETOXIFYING OXYGEN (O₂)
FACIAL COMMISSION**

WHAT TO DO:

Layer a generous amount evenly over damp face and throat. Allow oxidation to foam into a luxurious masque. Leave on for a couple of minutes allowing product to draw out impurities and hydrate the skin. Rinse well with lukewarm water.

**BEAUTONE ENLIGHTENING FACIAL
BRIGHTENER SERUM**

Pump 2-3 drops in the palm of your hand. Apply the light clear serum to forehead, cheeks, chin, neck and back of the hands. Gently massage into skin and allow to absorb.

**BEAUTONE ENLIGHTENING
SPOT TREATMENT**

Before applying, skin should always be clean and free of irritation. Follow the same direction as the serum application. Gently massage the cream until completely absorbed.

**SMOOTH UPPER LIP & PERIORAL
ANTI-AGING TREATMENT**

Apply to the upper lip and around the contours of the lips liberally. Follow at least twice a day. *Do not ingest or place directly on the lips.*

**REVITALITE EYELID & DARK CIRCLE
CORRECTOR**

Gently massage over eye area, including under-eye, eyelid, brow bone and side area. Never rub!

SPF 20 FACIAL ARMOUR

During the day, always utilize this broad spectrum, multi-peptide sunscreen. Sun exposure must be limited for best results.
