DERMELECT® TOTAL BODY FACIAL

the ultimate smoother and shaper regimen

DERMELECT® TOTAL BODY FACIAL

Our focus for the body concentrates on three key attributes:

1. gentle yet effective exfoliation,
2. skin tissue stimulation and
3. moisture replenishment

Detoxify, moisturize and refine even the weariest of skin with this trio of invigorating, tightening and softening formulas. After this treatment, you will have achieved a total moisture re-balance, a firmer, more toned appearance and an overall glow coupled with a soft, 'touch-me' skin.

PREPARATIONS: Start by de-stressing. Breathe deeply and easily, drink ice water and you will realize that such simple steps will help ease your mind as well as your entire body. Run a warm, relaxing bath or shower. After cleansing, begin with the **Thermäj Self Heating Total Body Polish**. An innovative aromatic is released to liven the senses and to offer unique benefits to your overall sense of well-being and enhanced thinking. An instant burst of heat will give a sensation to tired skin while natural fruit enzymes thoroughly yet gently buff away tough, rough, dead skin cells. A discharge of "all goodness" nourishment is released as your body will reveal a natural, streak free glow. After your treatment, your body and mind will feel completely rejuvenated.

WHAT TO USE:

Thermäj Self Heating Total Body Polish

WHAT TO DO:

Massage a handful onto wet/damp skin and rub in a circular motion. Invigorate until all of the self-heating beads have been activated and keep motivating the polish onto the skin until all of the polishing beads have dissolved. Target all rough areas: knees, elbows, heels. Leave it sit for at least three to five minutes before rinsing.

Lipo-Conquer Body Toning Cream

Applied after bathing, to a towel dried body, this circulation enhancing, body toning cream is to be massaged and motivated on thighs, buttocks, arms and love-handles. Re-apply as desired. Allow to absorb into the skin.

Cleavage Contour Cream

Smooth on this light, non-greasy lotion from the base of your chin to the cleavage, underside and sides of the breasts. Massage until fully absorbed. Also can be utilized for added firming and moisturizing qualities to all other parts of your body.
